It’s an effortless process for a huge reward

£1 per table

£10.5 million raised for the homeless since 1998

“StreetSmart is low in bureaucracy and high on delivering where help is needed. We may not be able to solve the question of homelessness but at least by doing something we, in some way, diminish its tyranny.”

Stephen Fry

To make a real difference, take part in StreetSmart. This is how it works:

To sign up
go to streetsmart.org.uk and click on sign up.

We will send you straightforward instructions and simple table cards that explain the scheme to customers.

To run
Put a StreetSmart card on each table or tuck into bill folders.
Set up till to record donations.
During November & December, add a voluntary £1 to each table’s bill after service and VAT – so there’s no effect on VAT returns.
Engage the staff as they are helping those in need they see every day on the streets.
Send us the money you raise in January.
Follow us, share our stories and yours.
We’ll give you a platform, too, via our social channels and media partners @streetsmartuk

“Anything we can do to alleviate the pain of homelessness is worthwhile. With StreetSmart it is so easy and 100% of the money goes direct to people most in need.”

Monica Galetti, Chef, TV presenter

“I hope our businesses and the generous Greater Manchester public will get on board with StreetSmart. We have a huge challenge ahead in preventing an increase in homelessness coming out of the pandemic and we will rise to it if everyone plays their part.”

Andy Burnham, Mayor of Greater Manchester

“Giving 100%”

Know this: every penny goes to local charities, centres and projects tackling homelessness. None of it is spent on administrative, production or promotional costs. These are paid for by our partner LandAid.
